State of California Board of Equalization

Memorandum

510.0900

To: Marysville Compliance

March 4, 1966

From: Tax Counsel (GAT) – Headquarters

Granular produced by --- Co.

Subject: P--- N--- S---, Inc. P. O. Box XX

---, California

SR -- XX XXXXXX

This is in reply to your letter of February 28, 1965, regarding the product Ordram 5

It is our understanding from the label specimen which you submitted that this product is a selective herbicide used by rice farmers to control watergrass. Inasmuch as it is a weed killer and not a plant nutrient, it does not qualify as a fertilizer under § 6358.
