ADOPTED IMMEDIATE HARVEST VALUES SCHEDULES FOR JANUARY 1 THROUGH JUNE 30, 2020

Section 38204[a] of the Revenue and Taxation Code requires that on or before December 31, 2019 the California Department of Tax and Fee Administration (the Department) shall estimate the immediate harvest values of, and adopt schedules for each species or subclassification of timber harvested between January 1 and June 30, 2020.

On December 19, 2019 the suggested immediate harvest value schedules for timber harvested between January 1 and June 30, 2020 were discussed at a public meeting that was held by the Department at 10:00 a.m., in Room 118, 450 N Street in Sacramento, California. The suggested values were developed by the Timber Advisory Committee (TAC) in consultation with Department staff at the November 14, 2019 Timber Advisory Committee Meeting.

In the absence of any public comment or concerns, the Department adopted the immediate harvest value schedules as recommended by the Timber Advisory Committee for the period January 1 through June 30, 2020 on December 31, 2019.
