To help you prepare for filing your tax forms using our new online services system, we have developed online filing resources and new video tutorials.

Online Filing Webpage Updates

We recently updated our [IFTA webpage](#) to provide you with the latest online resources, tools, and guidelines you need to file your tax forms, as well as other useful information.

Coming Soon! Video Tutorials – How to File

We will be posting tutorials about how to file in our new online services system. Please visit our [Online Services](#) webpage and select the *Tutorials* tab to see the upcoming *How to File* videos.

IFTA Workshops

The Motor Carrier Office (MCO) will conduct workshops throughout California over the next several months. The workshops will provide an overview of the new system, information on the registration/renewal process, and hands on training for return filing. Workshop dates and locations will be listed on our website at www.cdtfa.ca.gov/seminar/#ifta.
