## File Your California Tire Fee Return Online

The California Department of Tax and Fee Administration (CDTFA) implemented a new, improved online services system, which offers many convenient features and tools to benefit you and your business. As a reminder, your *California Tire Fee Return*, for calendar year 2018 is due on January 15, 2019.

Please create your *Username* and *Password* in the new system, if you have not already done so. We encourage you to initiate the login process described below by **December 15, 2018**, since it takes about ten (10) business days to complete. You may file and pay your yearly return online once you sign up. You will not receive a paper return in the mail.

### Logging In – Create a *Username* and *Password* to access all features of the new system:

- Go to [www.cdtfa.ca.gov](http://www.cdtfa.ca.gov).
  1. Click the *Login* button.
  2. Scroll down and click *View Accounts*.
  3. Click on *Sign Up Now* button. You will be prompted to enter or request a security code.
- Please request a security code and allow seven to ten (7-10) business days for the code to be delivered to your business mailing address.
- Once you receive your security code, you will return to [www.cdtfa.ca.gov](http://www.cdtfa.ca.gov) and repeat the steps above, to set up a new *Username* and *Password* and file your return online.

To view the instructional video about *Logging In*, visit our [Online Services](#) page. Click on the *Tutorials* tab and open the *Logging In* section then, scroll down to play the video *Username/Password for Business Owners*.

### Email and Mailing Address Updates:

Ensure your security code is mailed to the correct address and you receive account updates. In order to confirm we have your most current contact information you may:
