

**AUDIT PAYMENT INFORMATION
MOTOR CARRIER OFFICE**

The proposed audit findings you received from our auditor are under review. Once the audit review is complete, you will receive a bill called a *Notice of Determination*. The audit review process may take several weeks, during which time interest on your tax amount due will continue to accrue. However, you may choose to pay the proposed audit amount due in full or pay a portion before receiving the bill.

What You Need to Know

- You will save additional interest if you make an early payment.
- You can make an early payment on any amount due, on all or a portion of the tax, or only the items for which you agree.
- Your early payment does not affect your right to protest the proposed amount due or to receive a refund. (*Note: You may also file a CDTFA-101, Claim for Refund, with each early payment on an amount for which you disagree. This ensures the deadline for filing a claim does not pass.*)
- Interest does not accrue on the interest or penalty portion of the audited amount due.
- Payment is first used to reduce the tax owed, then interest, and then penalty.
- Payment must be made online or postmarked by the last day of the month the return is due to avoid additional interest.
