GENERAL

The California Department of Tax and Fee Administration (CDTFA) administers the California Alcoholic Beverage Tax Law (Revenue and Taxation Code section 32001, et seq.) in cooperation with the Board of Equalization. The law includes the state excise taxes imposed upon the importation and sale of beer and wine. The tax rates for this law as they relate to the importation of beer and wine are located on the CDTFA website at www.cdtfa.ca.gov.

FILING REQUIREMENTS

Every licensed beer and wine importer is required by Revenue and Taxation Code section 32251 to file a tax return and supplemental report (if applicable) of all beer and wine imported for the reporting period, on or before the 15th day of each month, following the close of the reporting period. A return must be filed each reporting period regardless of whether any tax is due. The return must be complete and supported by supplemental report CDTFA-269-BW. Remittance for the amount due must be submitted by the due date of the return. A copy of the return and supplemental report (if applicable) should be retained at the licensed premises for verification by CDTFA auditors.

PENALTY FOR LATE FILING

Section 32252 of the Alcoholic Beverage Tax Law imposes a penalty for the late filing of this return regardless of whether any tax is due. The penalty imposed for the late filing of this return shall be limited to either \$50.00, or 10 percent (0.10) of the amount of tax due, whichever is greater. The penalty for late payment of tax is 10 percent (0.10) of the amount of tax due together with interest on the tax from the date on which the tax is due and payable until the date of payment. The CDTFA is authorized by law, for good cause, to extend the time for the filing of this return, not to exceed one month. Any request for an extension may be submitted online at www.cdtfa.ca.gov.
