INSTRUCTIONS

CIGARETTE DEALER (RETAILER) FLOOR STOCK TAX RETURN

FILING REQUIREMENTS

Section 30130.52(a) of the California Healthcare, Research and Prevention Tobacco Tax Act of 2016 (Proposition 56) requires every licensed cigarette dealer (retailer) and wholesaler to pay a cigarette floor stock tax for each cigarette in its possession or under its control as of 12:01 a.m., on April 1, 2017. The retailer and wholesaler must file a return and pay any taxes due to the California Department of Tax and Fee Administration on or before July 1, 2017.

If you are a retailer and a wholesaler, you must report both your retail and wholesale cigarette stock on the cigarette wholesaler floor stock tax return for each business location. You must check the box on the front of this return and provide your cigarette wholesaler account number to indicate that you also have a cigarette wholesaler account and are reporting and paying the floor stock tax on your cigarette wholesaler floor stock tax return. You must sign, date, and file this return with the California Department of Tax and Fee Administration.

Accounting records of your stamped packages of cigarettes reported as in your possession or under your control as of 12:01 a.m. on April 1, 2017, must be maintained on physical inventory count sheets and kept with your copy of the return.

Note: Every dealer (retailer) operating vending machines through which they sell cigarettes must include in their floor stock tax return the stock of cigarettes in their possession or under their control including cigarettes in the vending machines.

The floor stock tax does not apply to little cigars. Do not include packages of product labeled as little cigars in your inventory count. Little cigars are no longer considered cigarettes and will be considered tobacco products effective April 1, 2017. Proposition 56 expanded the definition of "tobacco products" to include products labeled as little cigars under federal regulation (27 C.F.R. section 40.214 (2006) and the federal Cigarette Labeling and Advertising Act (15 U.S.C. section 1331 et seq.)). This means little cigars no longer require cigarette tax stamps beginning April 1, 2017.

DEFINITIONS

Cigarette means any roll for smoking, made wholly or in part of tobacco, irrespective of size or shape and irrespective of whether the tobacco is flavored, adulterated or mixed with any other ingredient, where such roll has a wrapper or cover made of paper or any other material, except where such wrapper is wholly or in the greater part made of tobacco and such roll weighs over three pounds per thousand sticks (Revenue and Taxation Code section 30003).

Dealer (retailer) includes every person, other than one holding a distributor's or wholesaler's license, who engages in this state in the sale of cigarettes (Revenue and Taxation Code section 30012).
