**GENERAL INFORMATION**

The CDTFA offers its Business Taxes Law Guide (BTLG) to the public in hard copy and DVD formats. All versions of the law guides may be purchased on a one-year subscription basis. Renewal notices will be sent to subscribers prior to their expiration date. Subscription prices are updated annually based on publication costs.

*Please note:* You may access these law guides free of charge on our website at [www.cdtfa.ca.gov](http://www.cdtfa.ca.gov).

**LAW GUIDES**

The BTLG consists of sales tax, use tax, and various special taxes laws, regulations, and annotations. The laws include section histories, notes, and significant court cases. The regulations interpret the law for the purpose of administration and enforcement. The annotations are staff interpretations for a particular subject or situation.

The law guides are available in the following formats:

1. The **hard copy** law guides consist of 3-ring binders (6" x 9") with loose-leaf pages. The purchase price covers the cost of binders, tabbed dividers, the basebook, and the first year's subscription to the updating service. There may be multiple updates each year. Annual renewals include updated pages only.
2. The **DVD** consists of the BTLG on one disc in HTML format. The HTML version allows you to search, copy, paste, and print. The DVD will include all current updates as of the time of its production.
3. The BTLG is available free of charge on the CDTFA website at [www.cdtfa.ca.gov](http://www.cdtfa.ca.gov). See the Forms & Publications tab at the top of the home page.
