New Sales and Use Tax Rates Effective July 1, 2025

California voters approved the district tax changes listed below in the November 2024 election. These rate changes are the result of new citywide district taxes. Additionally, voters in certain areas have extended citywide and countywide district taxes that were set to expire. The new tax rates, tax codes, and expiration dates will be available to view and download as a spreadsheet on our webpage [California City & County Sales & Use Tax Rates](#) beginning June 1, 2025. Go to our website at www.cdtfa.ca.gov, click on *See Tax Rates* under *Tax & Fee Rates*, then choose [Sales and Use Tax Rates](#). Scroll down to *Download* for the spreadsheet.

To find a specific tax rate for your area or business location on our website, follow the same directions as above and you will then be on the *California City & County Sales & Use Tax Rates* webpage. Select [Find a Sales and Use Tax Rate by Address](#) under the *Current Tax Rates* section, enter the address, and select *Search*. The new rates will be available to search beginning July 1, 2025.
