Issue(s): This litigation arises out of the Plaintiff's allegations that Defendants California Department of Tax and Fee Administration (CDTFA) and Department of Motor Vehicles (DMV) violated Plaintiff's State and Federal due process rights in suspending his driver's license without a hearing under [Business and Professions Code section 494.5](#), and that CDTFA has no authority to impose sales tax on Plaintiff's sale of marijuana prior to November 9, 2016.

Audit/Tax Period: None
Amount: Unspecified

Status: On August 11, 2017, Plaintiff filed his Complaint for Damages and Injunctive and Declaratory Relief in the Superior Court of California, County of San Francisco. The initial complaint named the State Board of Equalization (BOE) as Defendant. On September 11, 2017, plaintiff filed its first amended complaint replacing the BOE as Defendant with the California Department of Tax and Fee Administration (CDTFA) as Defendant. On November 6, 2017, the CDTFA filed a Demurrer to plaintiff's complaint. Hearing is set for December 19, 2017. On December 19, 2017, the Superior Court of California, County of San Francisco, issued an order affirming its tentative ruling sustaining the CDTFA's demurrer as to all four causes of action in plaintiff's first amended complaint without leave to amend. All of plaintiff's claims were based on the alleged unlawful imposition of sales taxes by CDTFA on sales of marijuana that the CDTFA attributed to plaintiff, Mr. Arechiga. The court noted that pursuant to Article XIII, section 32 of the California Constitution and Revenue and Taxation Code 6931 and 6932 and case

law construing those provisions, plaintiff may not challenge the imposition of an alleged illegal sales tax on him in court until he has exhausted his administrative remedies by paying the alleged illegal sales tax and pursuing an administrative claim for a refund. The court found that since plaintiff had not alleged, nor was there a reasonable possibility that he would be able to allege, compliance with the exhaustion requirement, all of his claims failed as a matter of law. With respect to plaintiff's second cause of action for violation of 42 USC 1983, the court held that this failed for the additional reason that a section 1983 claim against a state agency may not be brought in state court. And finally, with respect to plaintiff's claims seeking relief from the alleged illegal inclusion of his name on the list of the largest delinquent taxpayers, including suspension of his driver's license, the court concluded that these claims are moot since judicially noticeable documents show that plaintiff was no longer on the list and he was able to reinstate his driver's license for a nominal fee. On January 17, 2018, a Notice of Entry of Judgment was entered and served on January 19, 2018. Plaintiff has until March 20, 2018, to file a Notice of Appeal.

Status: On March 20, 2015, the BOE filed a Motion to Transfer Venue to Sacramento County. On March 23, 2015, Petitioner filed a request to continue the April 1, 2015 hearing date of his Motion for a Writ of Prohibition to April 27, 2015. On March 25, 2015, the Court denied the request and took the Motion off calendar pending Petitioner's attendance at the initial Case Management Conference. On April 1, 2015, Plaintiff filed his Opposition to Motion to Transfer Venue. On April 13, 2015, the BOE filed its Reply Brief in support of its Motion to Transfer Venue. The Court continued the April 22, 2015, hearing on the BOE's Motion to Transfer Venue to May 6, 2015 to allow the BOE to submit additional evidence in support of its Motion. Following the hearing, the parties stipulated to transfer the Case to Los Angeles County Superior Court and filed a joint stipulation on April 23, 2015. The Los Angeles Superior Court served a Notice of Incoming Transfer confirming that venue of this action was moved from Imperial County to Los Angeles County. Pursuant to the transfer of venue, the Case was filed in the Los Angeles County Superior Court on May 14, 2015. The parties stipulated that the BOE would have until June 30, 2015, to file its Response to the Petition for Writ of Mandate. On June 26, 2015, the BOE filed its Demurrer to Plaintiff's Writ Petition. Plaintiff's Opposition was due November 4, 2015. The BOE's Reply was due November 10, 2015. Hearing was scheduled for November 18, 2015. On October 26, 2015, Plaintiff filed his Opposition to BOE's Demurrer. On November 10, 2015, the BOE filed its Reply Brief in support of its Demurrer. On November 18, 2015, the Court heard Oral Argument on the BOE's Demurrer to

Petitioner's First Amended Petition for Writ of Mandate. On November 23, 2015, the trial Court issued a ruling sustaining the BOE's Demurrer. The Court granted Plaintiff leave to amend only as to Plaintiff's standing to bring an action to invalidate section 765.005 of the BOE's Compliance and Procedures Manual on the ground that it is contrary to the law. No amended writ petition has been filed or served. The BOE therefore moved on January 12, 2016, to have Petitioner's action dismissed with prejudice. Hearing is set for May 4, 2016. On May 4, 2016, the Court granted the BOE's Motion to Dismiss. On June 2, 2016, the judge signed the Order dismissing the Case and judgment was entered for the BOE.

On July 27, 2016, Plaintiff filed a notice of appeal and his designation of the record on appeal. On August 11, 2016, the BOE filed its supplemental designation of the record on appeal. Plaintiff filed the Appellant's Opening Brief on April 10, 2017. BOE will request an extension to file a Response. On May 9, 2017, the Court of Appeal granted BOE's request for a 60-day extension of time to file its Respondent's Brief, which is now due July 10, 2017. The Court of Appeal granted the BOE an additional extension to August 9, 2017, to file its Respondent's Brief. On August 1, 2017, the Court of Appeal granted the Motion by Respondents California Department of Alcoholic Beverage Control and its director (collectively, ABC) to dismiss the appeal (as to ABC and its director only). On August 17, 2017, the DOJ moved to substitute the California Department of Tax and Fee Administration (CDTFA) for the BOE as a Defendant in this action. On August 29, 2017, the Court of Appeal stayed further briefing on the appeal pending transmittal of a document by the superior court that was omitted from the record on appeal. On September 15, 2017, the Augmented/Supplemental Record was filed. The court set a deadline for Appellant's Reply Brief for October 15, 2017. On October 10, 2017, Appellant filed a Reply Brief. The case is now fully briefed, and awaits scheduling of Oral Argument.

Status: Plaintiff agreed to an extension of time for BOE to respond to January 12, 2016. The BOE filed its Answer on January 12, 2016. On February 8, 2016, Plaintiff served the BOE with a notice of hearing on the merits, which is set for October 21, 2016. Based on the local rules, the parties would then have the following deadlines: Opening Brief Due September 6, 2016; Opposition Brief Due September 26, 2016; and Reply Brief Due October 6, 2016. On February 9, 2016, Plaintiff's counsel served the BOE with Form Interrogatories and Requests for Production of Documents. Response was initially due March 18, 2016, but Plaintiff granted the BOE an extension to April 18, 2016. On March 29, 2016, the parties stipulated to a new briefing schedule. Petitioners' Opening Brief is now due on August 9, 2016, the BOE's Respondent's Brief is due September 12, 2016, and Petitioners' Reply Brief is due October 6, 2016. Plaintiffs granted the BOE an extension to respond to Plaintiffs' discovery requests to May 2, 2016. BOE served its Responses to Plaintiffs' written discovery requests on May 6, 2016.

On February 17, 2017, the Court issued an Order granting Petitioners' request for a continuance of the writ hearing and resetting the briefing schedule. The new

dates are as follows: (1) Petitioners' opening memorandum is due August 4, 2017; (2) the BOE's opposition is due September 29, 2017; (3) Petitioners' Reply Brief is due November 23, 2017; and the (4) hearing on the merits of the writ petition is December 8, 2017. On July 25, 2017, Plaintiffs filed a Motion to consolidate this action with its class refund action (Sacramento County Superior Court, Case No. 34-2016-80002287). Hearing on Plaintiffs' Motion to consolidate is set for August 18, 2017. On July 28, 2017, pursuant to the Petitioners' *ex parte* request, the Court vacated its prior Order on February 17, 2017, setting the briefing and hearing dates on the merits. The Court reserved January 12, 2018, as the new hearing date, but did not set any new briefing dates at this time. On August 7, 2017, the State Defendants (CDTFA and State of California) opposed the Motion to consolidate. On August 11, 2017, Plaintiffs filed their Reply Brief in support of their Motion to consolidate. On August 18, 2017, the Court held Oral Argument on the Motion to consolidate. That same date, the Court issued a Minute Order denying Plaintiffs' Motion to consolidate in light of its ruling sustaining the CDTFA's Demurrer to Plaintiffs' class action complaint in Plaintiffs' related Class Action litigation. On August 25, 2017, the presiding justice signed the Order substituting the CDTFA for the Board of Equalization.

Status: On April 1, 2106, AT & T filed a Notice of Removal, divesting the superior Court of jurisdiction and removing the Case to the United States District Court of the Eastern District of California. On May 19, 2016, Plaintiff stipulated that the BOE could file its Response by June 6, 2016. Plaintiff stipulated to a further extension of time for BOE's Response to July 28, 2016, due to remand issues.

On July 28, 2016, Plaintiffs and BOE both filed Motions for remand. Hearing was scheduled for August 25, 2016. On August 19, 2016, the Court vacated the hearing on BOE's Motion to remand the Case to state Court, and took the matter under submission without Oral Argument. On March 31, 2017, the federal district Court granted the BOE and Plaintiffs' separate Motions to remand the action back to state Court and Order the matter remanded back to Sacramento County Superior Court. The parties stipulated that BOE could file its Response in the state Court action by May 15, 2017, which was subsequently extended to June 9, 2017. BOE filed a Demurrer on June 9, 2017 to Plaintiffs' First Amended

Complaint. A hearing on BOE's Demurrer is scheduled for August 18, 2017. On July 7, 2017, Plaintiffs filed a Second Amended Complaint; as a result, the Demurrer to the First Amended Complaint is moot. On July 25, 2017, the California Department of Tax & Fee Administration ("CDTFA") filed a Demurrer to Plaintiffs' Second Amended Complaint. On this same day, Plaintiffs filed a Motion to consolidate this action with its related action, challenging the validity of Regulation 1585. The hearing on both matters is set for August 18, 2017. On August 18, 2017, the trial Court sustained CDTFA's Demurrer to Plaintiffs' class action complaint without leave to amend and denied Plaintiffs' Motion to consolidate the class action for refund with Plaintiffs' related action challenging the validity of Regulation 1585. The Court found a class refund action was premature since Regulation 1585 has not been invalidated or otherwise retroactively revoked. In light of its ruling on the Demurrer, the Court denied Plaintiffs' Motion to consolidate their two actions. The Court also granted CDTFA's unopposed request to substitute in as the proper Defendant in this sales and use tax action, in place of the Board of Equalization. The CDTFA will submit a Proposed Order to the Court consistent with the Court's rulings. On August 25, 2017, the Court granted the unopposed Motion substituting the CDTFA for the BOE. On September 22, 2017, plaintiffs filed a Notice of Appeal from the judgment and "from any other orders, rulings, decisions, and proceedings of any kind that are in any respect adverse to Plaintiffs and Petitioners - to the maximum extent permitted by law." On November 9, 2017, the Court of Appeal granted CDTFA's Motion to Correct the caption to be California Department of Tax and Fee Administration instead of Board of Equalization et al.

Status: The BOE is a “remedial Defendant” in this Case. BOE filed its Response on October 25, 2012. On November 9, 2012, the Court denied a notice by Respondents/Defendants to re-assign this Case with League of California Cities, et al., under a single judge. The Court agreed there are common legal issues but each have their own unique claims and questions of law and fact. On October 4, 2013, the parties filed their Supplemental Briefs. On November 7, 2013, the Court issued its ruling that the local sales and use tax withholding provisions of [AB 1484](#) do not conflict with Propositions 1A and 22. The Court also concluded that Propositions 1A and 22 do not prohibit the withholding of property tax revenues owed to successor agencies because, by their terms, neither proposition applies to successor agencies. Petitioners filed a Notice of Appeal on February 5, 2014. On April 16, 2014, the League of California Cities filed a Motion to partially consolidate its appeal, in which BOE is no longer a party, with the Bellflower appeal, in which BOE is still a party. The League of Cities sought assignment to the same appellate panel and concurrent briefing and argument. Petitioners' Appellants' Opening Brief was filed August 7, 2014. DOF filed its Respondent's Brief on November 18, 2014. The Third District Court of Appeal granted the petitioners' requests to consolidate the Bellflower and League of Cities appeals. Oral Argument was held in the Court of Appeal on February 16, 2016. The Court took the appeal under submission. On March 3, 2016, Third District Court of Appeal issued a ruling in favor of Plaintiff cities. The Court ruled that the self-help provisions of [AB 1484](#), by which the Department of Finance (DOF) could order BOE to withhold local taxes from a city which had

not paid amounts DOF determined were owed and transferred those funds to DOF, were unconstitutional. The attorney fees and costs issues have settled and the December 16, 2016, hearing was taken off calendar. Petitioners and DOJ are now working on a proposed Judgment and Writ with petitioners. On January 2, 2018, the Court entered judgment for the petitioners and against the State Board of Equalization and State Controller's Office that "Health and Safety Code Section 34179.6, subdivision (h)(1)(C) are hereby declared unconstitutional to the extent that they permit the offsetting or withholding of local sales, use, and property tax revenues from local governments, as this section violates Article XIII, Section 24, Subdivision (b) of the California Constitution." A peremptory Writ of Mandate was issued. On January 18, 2018, Michael Cohen, in his official capacity as Director of the Department of Finance, filed a Return to the Writ issued by the Court on January 2, 2018. The case is now over.

Status: Trial Court: The parties stipulated and filed a Motion to assign the *City of Alameda v. BOE*; *City of Brisbane v. BOE*; and the *City of South San Francisco v. BOE* to a single judge for all purposes. Trial began on October 17, 2011, and further trial proceedings were continued to November 1, 2011. The Court accepted Petitioners' argument and judgment was entered on September 18, 2012. BOE filed its Notice of Appeal on November 16, 2012.

Court of Appeal: On August 19, 2013, counsels for Appellants City of El Segundo and Cities of Alameda, et al., filed certificates of interested entities. In a letter to the Court, the City of El Segundo joined the combined Respondents' Brief and Appellants' Opening Brief of the Cities and did not file its own. On November 15, 2013, the parties' stipulated request to consolidate appeals was granted and the appeals were ordered consolidated for all purposes. BOE filed its Reply Brief on December 3, 2013, in its own appeal, and a Cross-Respondent's Brief in the Petitioner's Cross-Appeal. The Intervenor's Reply Briefs were filed on December 19, 2013. On March 18, 2014 BOE filed Appellant's Opening Brief. On March 21, 2014, Appellant's Brief on the merits was filed with the Court of Appeal. On or about May 12, 2014, the parties agreed Petitioners would have until June 17, 2014 to file Respondents' Briefs on the attorneys' fees issue. On July 17, 2014, the Respondents' Brief was filed. BOE's Reply Brief was filed on September 21, 2014. Oral Argument was set for October 21, 2014. On September 15, 2014 the Court vacated the Oral Argument. The letter Brief

ordered by the Court was filed on January 7, 2015. On January 20, 2015, BOE filed its Reply Brief. The Court of Appeal scheduled Oral Argument in the Brisbane Case for March 17, 2015. The Court also scheduled Oral Argument for all three attorney appeals for the same day. On March 25, 2015, the Court of Appeal issued its unpublished opinion remanding the Case back to the trial Court for fact-finding proceedings. On June 2, 2015, the Court of Appeal remanded the Case to the San Francisco County Superior Court for further proceedings in accordance with its opinion.

Remand to Trial Court: On August 13, 2015, BOE filed a Peremptory Challenge. On August 17, 2015, Brisbane filed an Opposition. On August 21, 2015, BOE filed a Reply. The Court sustained BOE's Peremptory Challenge and scheduled a Case Management Conference for September 18, 2015. At the Case Management Conference on September 18, 2015, the Court set the following briefing schedule: Opening Brief due November 20, 2015; Reply Brief due January 11, 2016. Court trial was set for January 25, 2016. On November 20, 2015, the parties filed their Opening Briefs on remand with respect to the issue of whether title transferred in California for any of the sales at issue. On January 11, 2016, the BOE filed its Reply Brief. The trial took place January 25, 27, and 29, 2016. The Court ordered the parties to submit draft Statements of Decision by close of business February 22, 2016. The Case will not be deemed submitted for decision until the Court has reviewed the proposed Statements to ensure they do not contain new matter. On February 22, 2016, the City and the BOE filed proposed Statements of Decision. On August 2, 2016, the Court issued its Tentative Decision in favor of the BOE. Plaintiff City of Brisbane filed its objections to the Tentative Decision on August 19, 2016. On January 4, 2017, the trial Court issued a Statement of Decision in favor of the BOE – finding that the Internet sales at issue were properly allocated to California jurisdictions other than Brisbane as local use tax. The sales at issue were subject to use tax, rather than sales tax. On January 20, 2017, the trial Court entered Judgment in favor of the BOE. On March 1, 2017, Plaintiff City of Brisbane filed a notice of appeal. On March 9, 2017, the City filed a notice designating its record on appeal. On May 7, 2017, Appellant filed its Civil Case Information Statement. By stipulation, the Appellant's Opening Brief is now due August 11, 2017, and the Respondent's Brief is due November 13, 2017. On August 1, 2017, the DOJ moved to substitute the California Department of Tax and Fee Administration (CDTFA) for the BOE as a Defendant in this action. On August 18, 2017, Appellant City of Brisbane filed its Opening Brief in the Court of Appeal. On August 28, 2017, the Court granted the unopposed Motion substituting the CDTFA for the BOE. On November 17, 2017, the CDTFA filed its Respondent's Brief. On December 5, 2017, the Respondent's Brief was filed by Intervener and Respondent, City of Alhambra. On December 7, 2017, the City of Brisbane filed its Appellant's Reply Brief. The case is now fully briefed and awaits scheduling of Oral Argument. On January 16, 2018, the Department filed its Request for Oral Argument. Brisbane previously filed its Request on January 12, 2018.

filed a third amended complaint on January 31, 2017. At the February 21, 2017 Case Management Conference, the Court scheduled the next Case Management Conference for April 20, 2017. Plaintiffs filed a third amended complaint on April 4, 2017. On April, 17, 2017, the BOE filed its Answer to Plaintiff's third amended complaint. On April 20, 2017, the parties attended a Case Management Conference. At the conference, the Court ordered that the parties should commence discovery, if need, and file Cross-Motions for summary judgment. The Court set another Case Management Conference for June 30, 2017. At the June 30, 2017 Case Management Conference, the Court set another Case Management Conference to take place on July 18, 2017. At the July 18, 2017 Case Management Conference, the Court entered the following Scheduling Order: The parties' Cross-Motions for Summary Judgment are due September 22, 2017. Opposition Briefs are due October 13, 2017; Reply Briefs are due November 3, 2017. The hearing on the Cross-Motions for Summary Judgment will be held on November 13, 2017 at 2:00PM. On September 5, 2017, the court granted the substitution of CDTFA for BOE. On September 22, 2017, CDTFA and plaintiffs filed their Cross-Motions for Summary Judgment. A hearing is set on the Cross-Motions for November 13, 2017. On October 13, 2017, the CDTFA filed the Opposition to Plaintiffs' Motion for Summary Judgment or in the alternative, Summary Adjudication. In their moving papers, plaintiffs claim that the imposition of state sales tax on feminine hygiene products discriminates on the basis of sex, and thus violates the Due Process Clause of the California Constitution and the Equal Protection Clauses of the state and federal constitutions. Plaintiffs argue that feminine hygiene products should be classified as "medicine" under Revenue and Taxation Code section (section) 6369, and the sales of these products should be exempt from sales tax. In its opposition, CDTFA contends that the governing statutes, sections 6051 and 6369, and Regulation 1591, do not violate the Due Process and Equal Protection Clauses because they are gender neutral and any classification provided for thereunder is supported by rational reasons. CDTFA further contends that plaintiffs are barred from bringing this action due to their failure to exhaust the administrative remedies available to them because they were required to first present the issue of taxability of sales of feminine hygiene products to the CDTFA and did not do so. On November 13, 2017, the Hearing was continued to January 11, 2018. On January 11, 2018, the Court heard oral argument on the parties' cross-motions for judgment. Following oral argument, the court issued a Minute Order on January 11, 2018, granting CDTFA's Motion for Summary Judgment and denying plaintiffs' motion. On January 29, 2018, the Court entered judgment in favor of the CDTFA.

Status: On April 23, 2014, the BOE was served a Summons, Notice of Case Management Conference and Order, First Amended Petition for Writ of Mandate, and Complaint for Declaratory Relief. Petitioners' ex parte Application for Stay of Distribution of Local Sales Tax Revenues Pending Resolution of Petitioners' Claims was filed on June 9, 2014. On June 9, 2014, the Court ruled that what the Petitioners sought was a preliminary injunction and not a TRO. The Court continued the hearing to July 8, 2014, in order to give the parties time to file briefing on whether or not a preliminary injunction should be granted. On June 25, 2014, BOE filed its Opposition to Petitioners' Motion. The hearing on the Petitioners' application for a preliminary injunction was held on July 8, 2014. On July 17, 2014, the Order denying the preliminary injunction was filed. On December 22, 2014, BOE's Answer was filed. At the Case Management Conference on February 10, 2015, the Court set a briefing schedule and a hearing date. Petitioners' Opening Brief was due March 31, 2015, the BOE's opposition was due on May 19, 2015, and the Petitioners' reply was due June 10, 2015. The hearing was set for July 15, 2015. On September 21, 2015, the Court issued an Order on its own Motion vacating submission of the petition for decision on July 15, 2015 and finding the matter to be resubmitted on September

15, 2015. As a result, the 90-day period for the Court to issue its decision commences from the new submission date of September 15, 2015. The Case Management Conference set for October 21, 2015, was continued to November 18, 2015. The Case Management Conference was continued by order of Court to December 18, 2015. On December 15, 2015, the Court continued the Case Management Conference again to January 15, 2016. On December 16, 2015, the trial Court granted the petition for Writ of Mandate. The Court ordered the matter remanded to the BOE with instructions to vacate the BOE's January 16, 2014, Summary Decision, and to reconsider the issue of which entity passed title to consumers and was the retailer in light of the Court's opinion and California law on the transfer of title. On remand, the Order provides that the BOE may also address whether, or how, to reallocate the tax revenue for the years at issue. The Court granted the parties' request for a continuance of the Case Management Conference and moved it from January 27, 2016, to February 17, 2016. On January 29, 2016, the BOE filed its Objections to the Proposed Writ and Judgment. The City of Ontario filed its Objections the same day. On February 11, 2016, the BOE filed a notice of appeal with respect to the trial Court's ruling in favor of Petitioner cities. The trial Court ordered the BOE to vacate its decision to allocate the local sales and use tax revenue derived from retail sales made by MedCal Sales, LLC to the City of Ontario because such decision was not supported by substantial evidence. The trial Court also permitted the BOE to hold a new hearing to determine the proper allocation of the local sales and use tax revenue from the retail sales at issue in accordance with the Court's discussion of the proper evidence in its ruling. The City of Ontario has also filed a notice of appeal. Petitioners submitted a proposed judgment and proposed writ of mandate. The BOE and the City of Ontario filed objections thereto. On February 22, 2015, the BOE filed and served its Appellant's Notice Designating Record on Appeal. On August 28, 2017, the Court granted the unopposed Motion substituting the CDTFA for the BOE. On September 12, 2017, the Court of Appeal decided in favor of the CDTFA, and denied petitioner cities' Petition for Writ of Mandate.

The Court of Appeal concluded that the BOE's determination that local sales tax which had been remitted to the City of Fontana and the City of Lathrop should be reallocated to the City of Ontario was supported by substantial evidence. On September 27, 2017, Respondents and cross-appellants City of Fontana, City of Lathrop, and City of San Bernardino, filed a petition for rehearing. No opposition to the petition can be filed unless the court asks for it. On October 12, 2017, the Court of Appeal granted Respondents and Cross Appellants', City of Fontana, City of Lathrop, and City of San Bernardino, petition for rehearing. Issue(s): The Board voted 5 to 0 to predetermine the petition. Plaintiff challenges what he asserts to be a CDTFA policy of assessing and collecting from officers and shareholders of controlling closely held corporations, the amount of sales taxes collected from customers if and for any period during which the corporation's powers were suspended by the Franchise Tax Board for failure to pay franchise taxes. In addition, Plaintiff challenges the validity of CDTFA [Regulation 1702.6](#) ("Regulation"), and alleges a denial of due process. In general, plaintiff seeks the determination and declaration that (1) the Policy is invalid and cannot be implemented as it is preempted by [Revenue and Taxation Code section 6829](#) and the Regulation; (2) the Regulation is unconstitutional and invalid and (3) plaintiff was denied due process because SBE did not consider the illegality of the Regulation during the administrative appeal, and therefore, the assessment against plaintiff for the tax liability is illegal, unconstitutional, and void. As to the underlying basis for this litigation: Plaintiff asserts that on or about May 28, 2009, the corporate powers of HK Architectural Supply, Inc. (HK Inc.), a California Corporation, were suspended. Then, on or about February 22, 2012, the Department issued a Notice of Determination against plaintiff asserting and assessing plaintiff for sales tax liability incurred by HK Inc. Plaintiff alleges that all administrative appeals and remedies in opposition to this liability have been exhausted. CDTFA denies plaintiff's allegations.

Plaintiffs also contend that Board staff recklessly disregarded the Board audit procedures by failing to perform an adequate and complete audit as required by the Board's published audit manual. Plaintiffs allege that, as the consequence, they suffered significant financial losses, so they brought this action for damages under [Revenue and Taxation Code section 7099](#) for over \$2 million.

On August 31, 2017 Plaintiffs served form interrogatories and request for production of documents, CDTFA's Response is due on October 2, 2017. On September 13, 2017, following Oral Argument, the court sustained the CDTFA's Demurrer to Plaintiffs' second cause of action for damages under Revenue and Taxation Code section 7099, on the grounds that plaintiffs' action was untimely. The court denied CDTFA's Demurrer as to the portion of the first cause of action relating to the first audit period; the court ruled it was an issue of fact as to whether this action was untimely. At the conclusion of the September 13th hearing, the court agreed to the

Issue(s): Whether sales tax reimbursement were properly collected from Plaintiffs on their purchases of glucose test strips and skin puncture lancets from Defendant retailers, or were the sales of these items exempt from sales tax ([Regulation 1591.1](#)).

Audit/Tax Period: None

Amount: Unspecified

Status: By Order dated November 17, 2007, the trial Court ruled in favor of Defendants Sav-On Drugs, et al., that sales tax was properly applied to these transactions. Further issues not involving the BOE were still pending. On July 6, 2011, the Court heard Walgreen's Motion for summary judgment or summary adjudication of issues. The Court denied summary judgment as to all issues against both Plaintiffs. The Court granted summary adjudication as to the sales of skin lancets as to both Plaintiffs and as to the sales of glucose test strips as to Plaintiff Feigenblatt. Plaintiff Feigenblatt was dismissed from the Case. Plaintiff McClain remains in the Case but only as to sales of glucose test strips. The Court did not grant summary judgment as to all causes of action because the Court is still awaiting the California Supreme Court's ruling in *Loeffler*. At the October 25, 2011 hearing, the Court continued the stay on the Plaintiffs' Motion to compel discovery and Defendants' Motion for judgment on the pleadings. On February 20, 2014, Notice of Change of Attorney was filed, substituting DAG Anthony Sgherzi for DAG Bonnie Holcomb. On June 26, 2014, parties filed a stipulation with the Court agreeing to lift the stay so that Plaintiffs' counsel could file a Motion for Leave to File a Fourth Amended Complaint. The parties agreed to allow Plaintiffs' counsel until July 28, 2014, to file the Motion. Notice of Motion

and Motion for Leave to Amend Complaint, as well as a proposed draft of the Fourth Amended Complaint, were filed on July 28, 2014. As permitted by the Court at the August 7, 2014 Status Conference, Plaintiffs filed their Fourth Amended Complaint on August 11, 2014. On October 1, 2014, BOE filed a Demurrer. Hearing was set for January 9, 2015. On November 26, 2014, Plaintiffs filed their Opposition to BOE's Demurrer to the Fourth Amended Complaint and Cross-Complaint. On December 15, 2014, BOE filed its Reply Brief in support of its Demurrer to the Fourth Amended Complaint. On February 24, 2015, following Oral Argument, the trial Court granted the Demurrers of BOE and the corporate Defendants without leave to amend. Judgment in favor of Defendants was entered on April 15, 2015.

Appeal: Plaintiffs filed their Notice of Appeal on June 11, 2015. On June 30, 2015, the Superior Court issued Notices of Default to Plaintiffs for failure to designate the record on appeal. Plaintiffs subsequently designated the record on appeal. The deadline for the Court reporter to deliver transcripts of the four hearings to the Court of Appeal was October 9, 2015. The Court was to set a briefing schedule after that date. The parties moved to consolidate the appeals. The Court ordered that the appeals be consolidated on October 8, 2015. The Second District Court of Appeal, Division 8, ordered that the appeals be consolidated on October 8, 2015 (Case Nos. B265011 and B265029). On December 14, 2015, the Second District Court of Appeal issued an Order setting the due date for Plaintiff's Opening Brief as January 13, 2016. The Respondents' Briefs were due February 12, 2016. Appellants failed to file their Opening Brief on time. As a result, on February 22, 2016, the Court issued a notice that if the Briefs were not on file within 15 days after the date of this notice, or good cause shown for relief from default, the appeal would be dismissed. The Opening Brief was due on or before March 8, 2016. Appellant filed a request for extension of time to file his Appellant's Opening Brief on March 9, 2016, which was denied by the Court of Appeal. Appellant served his Opening Brief, Appendix, and a Motion to File Over length Brief on March 9, 2016. On April 22, 2016, the parties stipulated to extending Respondents' time to file their Respondents' Briefs. On July 13, 2016, the BOE filed its Respondent's Brief. On September 12, 2016, Plaintiffs/Appellants filed their Reply Brief. Briefing is now complete. On November 17, 2016, the Second District Court of Appeal transferred the matter from Division Eight to Division Two due to a recusal of the majority of the Justices in Division Eight. On December 14, 2016, the Court of Appeal scheduled the hearing in this matter for January 26, 2017. On December 16, 2016, the Court of Appeal granted the BOE's request to continue the hearing date in this matter due to a conflict with the January 26th date. On February 24, 2017, the parties presented Oral Argument on the matter before the Second District Court of Appeal. Appellants filed a Petition for Rehearing on March 30, 2017. On April 10, 2017, the Court of Appeal issued an Order modifying its earlier opinion, and denying Plaintiff's Petition for Rehearing. The Court's modified opinion continues to affirm the trial Court's prior ruling in favor of the BOE. On April 24, 2017, Plaintiffs/Appellants filed a Petition for Review. A Response, if

one is to be filed, is due May 15, 2017. BOE filed a Response to Plaintiffs'/Appellants' Petition for Review on May 15, 2017. On June 14, 2017, the Supreme Court granted Plaintiffs'/Appellants' Petition for Review. On August 14, 2017, Petitioners' Opening Brief was filed. On August 15, 2017, the Court granted the unopposed Motion substituting the CDTFA for the BOE. On September 8, 2017, CDTFA requested an extension of time to file its answer brief to October 13, 2017. On September 12, 2017, the California Supreme Court extended CDTFA's time to file its Answer Brief to October 13, 2017. On October 11, 2017, the Supreme Court granted the CDTFA's Request for an Extension of Time to file the Answer Brief to November 13, 2017. On November 13, 2017, the Supreme Court granted CDTFA's request to file its Answer Brief to December 13, 2017. On December 13, 2017, the CDTFA filed its Answer Brief and a Motion for Judicial Notice. The other named Defendants and Respondents also filed their Answer Briefs on December 13, 2017. The Supreme Court granted Petitioners' request to file their Reply Brief on February 1, 2018.

Issue(s): Petitioner contends: Petitioner seeks declaratory relief to set aside CDTFA's decision denying its claim for refund related to the 2009-2010 tax year.

CDTFA position: Taxpayer's claim for refund was properly denied. Also, taxpayer should have brought a refund action and not a petition for writ of mandate when challenging CDTFA's denial of a claim for refund.

Audit/Tax Period: 2009/2010

Amount: Unspecified

Status: On January 22, 2018, CDTFA filed a demurrer to petitioner's petition on the basis that (1) a refund action is the exclusive means by which a taxpayer may seek a tax refund, and the Petition for Writ of Mandate is improper; (2) petitioner failed to exhaust its administrative remedies for the period at issue; and (3) petitioner has not yet paid its taxes in full and, therefore, may not pursue a refund action.

Audit/Tax Period: None

Amount: \$1492.00

Status: Supreme Court of CA. On July 21, 2010, the California Supreme Court denied Woosley's Petition for Review. As no further appeals may be taken from the appellate decision, the Case will be remanded to the trial Court to make further determinations in accordance with the appellate Court's decision. Remittitur issued on August 3, 2010.

Trial Court: Woosley filed his Brief on August 22, 2011. The hearing was held on November 15, 2011, and was continued to conclude arguments regarding the first attorney's fee issue. A hearing was scheduled to begin on January 23, 2012 concerning the second and third attorneys' fees issues. Arguments as to the first, second, and, third attorney's fees issues were continued to March 1, 2012, and completed. On October 11, 2012, the Court issued a Minute Order to reassign the Case to a new judge. On October 25, 2012, Plaintiff filed a petition challenging the reassignment. The State's opposition was filed on November 30, 2012. The superior Court vacated its decision on February 5, 2013, and set a further hearing on February 13, 2013. On February 14, 2013, the superior Court assigned the matter back to the judge who conducted the hearing in 2011 and 2012. A final status conference took place on January 8, 2014. Hearing was held on May 16, 2014, concerning fees through 2008, with post-trial briefs to be filed by July 10, 2014. Parties' post-trial briefs were submitted in early July. Issues of attorneys' fees through 2008 awaited the Court's decision. On August 27, 2014, the trial Court issued a tentative ruling concerning attorney's fees awards covering the time period 1978 to 2006. The ruling reduced the original trial Court decision

awarding over \$24 million in attorney's fees, costs and interest to a total award of slightly over \$2.6 million. The decision was to become final fifteen (15) days from August 27, 2014 unless any party lodges objections. After the decision regarding attorney's fees awards for the period 1978-2006 is final, the Court will conduct proceedings concerning attorney's fees claims after 2006. On December 9, 2014, the judge issued a Judgment on Fees after Remand adopting the findings in the October 29, 2014 decision. On the same date, the judge also approved the stipulated briefing schedule of the parties on the remaining attorney's fees issues, with Motions for Fees and Expenses to be filed by February 17, 2014, Responses to Motions for Fees and Expenses by May 8, 2014, and Replies to Responses to Motions for Fees and Expenses by June 9, 2015.
