Issue(s):

Plaintiff, a tribal corporation, seeks declaratory and injunctive relief in this action against the Attorney General and CDTFA, arguing, among other things, that the application and enforcement of the State's Cigarette and Tobacco Products Licensing Act ([Bus. & Prof. Code, §§ 22970 et seq.](#)) and the Cigarette and Tobacco Products Tax Law ([Rev. & Tax. Code, §§ 30001-30483](#)) against it, is preempted by federal law.

Status:

On September 17, 2018, CDTFA filed a Motion to Dismiss for Lack of Subject Matter Jurisdiction. On October 8, 2018, plaintiff filed a First Amended Complaint. On October 9, 2018, the District Court issued a minute order denying defendants' motions to dismiss as having been rendered moot in light of plaintiff's filing of a First Amended Complaint, and vacated the hearings set for November 6, 2018. On October 22, 2018, Defendant Maduros filed a Motion to Dismiss Fifth Cause of Action of First Amended Complaint for Lack of Subject Matter Jurisdiction. Defendant Bacerra filed a Motion to Dismiss as to the entire First

Amended Complaint that same day. A hearing on both motions is scheduled for December 4, 2018. On October 30, 2018, the court continued the hearings on defendants' motions to dismiss from December 4, 2018, to February 5, 2019. The court also continued the initial scheduling conference set for January 23, 2019, to April 24, 2019. On January 8, 2019, plaintiff filed opposition briefs to CDTFA's Motion to Dismiss the 5th Cause of Action and the AG's Motion to Dismiss the Complaint. Both of these motions are set for hearing on February 5, 2019. On January 24, 2019, and January 25, 2019, the CDTFA and AG filed their respective reply briefs in support of their motions to dismiss. On January 31, 2019, the court continued the hearing on defendants' Motions to Dismiss to March 5, 2019, at the parties request. On its own accord, the District Court moved the hearing on the defendants' motions to dismiss to March 12, 2019. On February 27, 2019, pursuant to the parties' stipulation, the District Court continued the March 12, 2019 hearing on the motions to dismiss to April 16, 2019. The hearing on CDTFA's motion to dismiss the fifth cause of action in Plaintiff's amended complaint and the Attorney General Office's motion to dismiss the amended complaint in its entirety was held on April 16, 2019. The court took the matter under submission. On May 21, 2019, the court granted Plaintiff's request for leave to file supplemental briefing following the hearing on defendants' motions to dismiss. Plaintiff requested the briefing to correct its own misstatement of fact regarding its organizational status and to respond to the Attorney General's assertions made during oral argument on its motion to dismiss. Plaintiff's supplemental brief is due by May 31, 2019. Any response by Defendants shall be due by June 10, 2019. On May 31, 2019, plaintiff filed its Supplemental Brief in Opposition to Defendants' Motions to Dismiss First Amended Complaint. On June 7, 2019, the Attorney General and CDTFA filed a Joint Response to Plaintiff's Supplemental Brief. On June 18, 2019, the Court issued a Minute Order stating that a ruling is not expected on the Defendants' Motions to Dismiss prior to the scheduling conference, and it continued the scheduling conference from July 8, 2019 to September 25, 2019. On August 13, 2019, the District Court granted CDTFA's Motion to Dismiss the fifth cause of action, and the Attorney General's motion to dismiss the case in its entirety, dismissing all actions against both defendants without leave to amend. The court held that plaintiff, a tribal corporation, was subject to the Tax Injunction Act and, therefore, could not sue in federal court to enjoin state taxes. The court also rejected plaintiff's argument that federal common law, tribal sovereignty, and the Indian Trader Statutes (25 U.S.C. §§ 261-264), preempted the application of the State's Complementary Statute ([California Revenue & Taxation Code § 30165.1](#)) to it with respect to its off-reservation distributions of cigarettes and tobacco products to other tribal reservations, holding that such distributions were not immune from state regulation. The court further rejected plaintiff's arguments that it was not subject to the licensing and reporting requirements of the State's Cigarette and Tobacco Products Licensing Act and the Cigarette and Tobacco Products Tax Law, agreeing with the State that the requirements of these sections imposed only a minimal burden upon plaintiff. On September 10, 2019, Plaintiff/Appellant filed an appeal to the United States Court of Appeal for the Ninth Circuit of the Eastern

District's Judgment and the Order Granting Defendants' Motions to Dismiss. On September 11, 2019, the Ninth Circuit issued a Time Scheduling Order. Pursuant to the Order, Appellant's Opening Brief shall be filed by December 19, 2019, and CDTFA's Answering Brief is due by January 21, 2020. Appellant's optional Reply Brief, if filed, shall be filed within 21 days after CDTFA's Answering Brief. On December 10, 2019, the Ninth Circuit granted Plaintiff/Appellant an extension to file its Opening Brief to January 21, 2020. As a result of the extension, CDTFA's Answering Brief will now be due February 20, 2020. On January 21, 2020, Plaintiff/Appellant filed a motion to file an oversized brief along with the proposed Appellant's Opening Brief. CDTFA's Answering Brief is due, absent an extension, by February 20, 2020. On January 28, 2020, the Ninth Circuit Court of Appeals denied Plaintiff/Appellant's motion to file an oversized brief and struck Appellant's Opening Brief. Plaintiff/Appellant has 14 days to file an Opening Brief that does not exceed the word limit. CDTFA's Answering Brief is due within 30 days after service of Appellant's Opening Brief. Plaintiff filed its Opening Brief on February 11, 2020. The Ninth Circuit Court of Appeals granted the Attorney General and CDTFA's request to extend the filing deadline for the Answering Brief to April 13, 2020. CDTFA and the AG filed a joint request for a 60-day extension (to June 15, 2020) to file their Answering Brief with the Ninth Circuit Court of Appeals, which was automatically granted under the Court's Covid-19 order. On June 15, 2020, the Attorney General and CDTFA filed their Appellees' Answering Brief. On September 6, 2020, the Ninth Circuit Court of Appeals set oral argument for November 19, 2020. Although the case is currently scheduled for oral argument, the court may still decide to submit the case on the briefs without argument. On November 19, 2020, the Ninth Circuit Court of Appeals heard oral argument from the parties and took the matter under submission. On June 16, 2021, a three judge panel from the Ninth Circuit affirmed the trial court's judgment in favor of the Attorney General and CDTFA. The court found that the Tax Injunction Act barred Plaintiff's challenge to California's cigarette excise tax as applied to Plaintiff's wholesale cigarette distribution business. The court also concluded that tribal sovereignty principles did not preclude California from regulating Plaintiff's intertribal wholesale cigarette sales under the challenged regulations, joining the Tenth Circuit and Oklahoma Supreme Court in treating tribe-to-tribe sales made outside the tribal enterprise's reservation as "off reservation" activities subject to non-discriminatory state laws of general application. On July 14, 2021, Plaintiff filed a Petition for Rehearing En Banc with the Ninth Circuit Court of Appeal, asking the Ninth Circuit to rehear its case following the court's panel decision in favor of CDTFA. On August 6, 2021, the Ninth Circuit Court of Appeals denied the Appellant's Petition for a Rehearing En Banc. On November 4, 2021, plaintiff filed its Petition for Writ of Certiorari with the U.S. Supreme Court. On November 18, 2021, the Solicitor General's Office requested an extension of time to file a response to plaintiff's Petition for Writ of Certiorari with the U.S. Supreme Court, from December 8, 2021, to January 7, 2022. On November 19, 2021, the court granted the requested extension. On January 7, 2022, the Attorney General filed an opposition to Plaintiff's Petition for Review in the U.S.

Supreme Court. On February 22, 2022, the United States Supreme Court denied Plaintiff's Petition for a Writ of Certiorari. This case is now over and will be closed.

Issue(s):

Plaintiff filed its Complaint for Refund of Taxes (“Complaint”) on October 22, 2021, and personally served Defendant California Department of Tax and Fee Administration (“CDTFA”), on November 3, 2021. Plaintiff contends that it is entitled to a refund of motor vehicle fuel taxes (“MVFT”) in the amount of \$10,521,997.89, with interest, for the period April 1, 2016 through January 31, 2018 (“Period at Issue”). Plaintiff also seeks attorneys' fees and costs. Plaintiff alleges that it is a wholesale distributor of gasoline, diesel, and other refined petroleum products throughout the United States. Plaintiff alleges that, in April 2016, it began selling fuel to First American Petroleum LLC (“FAP”), an Indian purchaser, and did not collect MVFT from FAP because its sales occurred above the rack, and on November 17, 2016, the State Board of Equalization (“SBE”) provided it with a spreadsheet that included FAP in SBE's most current Supplier List. Therefore, Plaintiff alleges that it was not aware that CDTFA considered FAP to be as an unlicensed person during the Period at Issue. (Rev. & Tax. Code, § [7363](#), subd. (c).) On March 10, 2020, Plaintiff filed a claim for refund for MVFT in the amount of \$8,664,652.08, which CDTFA denied on July 28, 2021. On August 5, 2021, Plaintiff filed a claim for refund for MVFT in the amount of \$1,857,345.81, which CDTFA denied on August 12, 2021.

Issue(s):

Plaintiff contends that it is entitled to a refund of \$1,420,371.00 in overpaid electronic waste recycling fees (“e-waste fees”) for the period of April 1, 2013 to March 31, 2016, because the tablet devices it sold were not specifically identified as “covered electronic devices” (“CEDs”) in the Department of Toxic Substances Control’s (“DTSC”) regulations and were therefore not subject to the e-waste fee. [Public Resources Code section 42463, subdivision \(e\)\(1\)](#), provides that a CED is “a video display device . . . that is identified in the regulations adopted by” DTSC. Plaintiff further contends that it is not liable for e-waste fees when a manufacturer of a CED fails to send the required notice to a retailer that their device meets the definition of a CED and are subject to e-waste fees.

Audit/Tax Period: April 1, 2013 to March 31, 2016

Status:

Plaintiff filed its verified complaint on March 15, 2021, and served it on CDTFA on March 22, 2021. CDTFA received an extension to file its responsive pleading by May 6, 2021. The parties have agreed to stay the action while Plaintiff exhausts its administrative remedies with the CDTFA, and will file a stipulation to stay the action with the court. The court entered the Order to Stay Case Pending Exhaustion of Administrative Remedies on May 12, 2021.

Issue(s):

Starbuzz Tobacco, Inc. and Starbuzz International, Inc. (“Petitioners”) filed a Verified Petition for Writ of Mandate or Administrative Mandate (“Petition”) against the Office of Tax Appeals (“OTA”) as the Respondent, and named CDTFA as the Real Party in Interest. In its Petition, Petitioners seek a peremptory writ of mandate or, alternatively, peremptory writ of administrative mandate, to command OTA to rescind its September 9, 2021 decision granting CDTFA's petition for rehearing and to deny the same. Petitioners' pending appeal before OTA involves the CDTFA's denial of Petitioners' refund claims totaling \$2,818,739, for the combined period October 1, 2012, through September 30, 2015, for Petitioners' taxable distributions of shisha under the Cigarette and Tobacco Products Tax Law. On April 28, 2021, OTA issued its decision granting Petitioners' refund claims, finding that Petitioners' shisha distributions were not subject to the tobacco products excise tax. On May 26, 2021, CDTFA timely filed a petition for rehearing with the OTA because the OTA's decision was contrary to the law, which was granted by the OTA. Petitioners seek to stay all further proceedings before the OTA on CDTFA's petition for rehearing until the court decides the Petition. Petitioners also seek attorneys' fees.

Sacramento County Superior Court has scheduled a case management conference for May 4, 2017. The case management statement is due April 19, 2017. On February 28, 2017, the Court of Appeal denied the petition for writ of mandate and request for stay. On March 21, 2017, Defendants BOE and CalFIRE filed a demurrer and Motion to strike. The hearing on these moving papers is scheduled for April 27, 2017. On April 26, 2017, the Court continued the hearing to June 2, 2017. On April 27, 2017, the Court issued its tentative ruling on the CMC set for May 4, 2017. It requires the parties to choose trial and settlement conference

dates before the end of the year. The hearing on BOE's Demurrer has been continued to July 7, 2017. At the July 7, 2017 hearing, the trial court sustained the demurrers of Defendants California Board of Equalization, the California Department of Forestry and Fire Protection, and Andres Lopez as to the second through fourth causes of action of the complaint; and stayed the entire action on the grounds that there is another action pending between the same parties on the same cause of action. On July 19, 2017, [Assembly Bill 398](#) was adopted to add Public Resources section 4213.05, which effective July 1, 2017, suspends the fire prevention fee until January 1, 2031. On January 16, 2018, plaintiff filed a Motion to Lift the stay in this action. The hearing on plaintiff's Motion to Lift the stay in this action is April 18, 2018. On April 8, 2018, plaintiff filed a Reply to his Motion to Lift the Stay of proceedings in this case.
