Department staff will hold a public hearing regarding the proposed amendments to California Code of Regulations, title 18, section (Regulation) 1503, *Hospitals and Other Medical Facilities, Institutions and Homes for the Care of Persons*, and Regulation 1591, *Medicines and Medical Devices*, on the date and at the time indicated above. The Department's proposed amendments clarify when a medical service facility is the retailer of property furnished in connection with its medical services, including property furnished to patients and residents insured pursuant to Part A of the Medicare Act, and clarify that the exemption in Revenue and Taxation Code section 33 applies to "human" blood. At the hearing, any interested person may present or submit oral or written statements, arguments, or contentions regarding the adoption of the proposed amendments to Regulations 1503 and 1591.

Due to restrictions on public gatherings, we will be holding the public hearing by teleconference. To participate, call 1-916-535-0987 and then enter the conference identification number 396 436 908.

The notice, initial statement of reasons, and text of the proposed amendments are available on the CDTFA website at <https://www.cdtfa.ca.gov/taxes-and-fees/reg-1503-1591-2019.htm>.
