INSTRUCTIONS
AIRCRAFT JET FUEL RETAILERS - SALES BY AIRPORT LOCATION

GENERAL

Beginning January 1, 2020, if you are an Aircraft Jet Fuel Retailer, you are required to complete and file this schedule, *Aircraft Jet Fuel Retailers - Sales by Airport Location*, with your CDTFA-401-GS, *State, Local, and District Sales and Use Tax Return*.

The Federal Aviation Administration (FAA) published final amendments to its policy on federal requirements for the use of proceeds from taxes on aviation fuel (Fed. Reg. 66282, Nov. 7, 2014). Under federal law, generally, airport operators that have accepted federal assistance may use airport revenues only for airport-related purposes. State and local taxes on aviation jet fuel are also subject to these airport revenue use requirements.

This schedule is used to report the taxable jet fuel sales and the amount of sales tax collected on jet fuel sales, allocated by airport location. Additionally, you must report the amount of taxable jet fuel sales and the amount of sales tax collected on jet fuel sales **not** sold at an airport location. Amounts reported on this schedule are for informational purposes only and are not used to calculate any tax amounts due.

PREPARATION OF THE SCHEDULE

Prepare schedule and submit with CDTFA-401-GS, *State, Local, and District Sales and Use Tax Return,* to the California Department of Tax and Fee Administration (CDTFA). To file your schedule with the return online, go to *www.cdtfa.ca.gov* and select *File a Return*.

Complete the following information:

Account Number. Enter the CDTFA account number.

Period. The period for which the schedule is reporting, using a "MMYY" format:

- **Filing Monthly:** Enter the month and year for which the schedule is reporting. For example, August 2019 (or any fraction thereof) would be "0819."
- **Filing Quarterly:** Enter the last month of the quarter for which the schedule is reporting. For example, the third quarter 2019 (July 1 through September 30, 2019 - or any fraction thereof) would be "0919."
- **Filing Calendar Year:** Enter the last month of the year for which the schedule is reporting. For example, the year 2019 (January 1 through December 31, 2019 - or any fraction thereof) would be "1219."
- **Filing Fiscal Year:** Enter the last month of the year for which the schedule is reporting. For example, the fiscal year 2018/2019 (July 1, 2018 through June 30, 2019 - or any fraction thereof) would be "0619."

Column A.	Airport codes with an asterisk (*) have 4-character FAA airport codes. An 'A' or an 'L' was removed from these FAA airport codes to form uniform 3-character field codes for reporting purposes with the CDTFA. The complete 4-character FAA airport code is provided with the airport name.
Column B.	Enter the city of airport.
Column C.	Enter the airport name.
Column D.	Enter the total amount of taxable jet fuel sales at each airport location where sales were made. Please do not include exempt sales of jet fuel.
Column E.	Enter the total amount of sales tax collected on taxable jet fuel sales at each airport location where sales were made.
